

FROM THE PRINCIPAL

Dear Parents and Community Members,

The Lighthouse School is an independent public charter school within the North Bend School District. We are a K-8 school, with class sizes topping out at 25 students. Our small school environment encourages student accountability regarding both learning and behavior. Core subjects are integrated to promote a deeper understanding of the content, and a broader perspective on the world.

Specialty classes include Spanish, art, drama, music and handwork.

At The Lighthouse School, we strive to provide students and their families with a challenging and creative learning environment dedicated to academic excellence. Utilizing an eclectic approach

to holistic education, we create an atmosphere in which children can reach their social, creative, and intellectual potential. Our staff is constantly looking at how we can find the balance of mixing the common core standards, with the Waldorf approach to learning. It is our goal to teach the "whole" child; head, heart, and hands.

For kids sake,

Wade

Thank you,

Director | Wade Lester
