Current Oregon law requires that the following immunizations be up-to-date or complete prior to starting school and that a signed statement by a physician or the local Health Department be provided at enrollment.

Kindergarten: Diphtheria, Tetanus, and Polio series; Measles, Mumps, and Rubella; Hepatitis B series; Chicken Pox vaccination (if they haven't contracted the disease).

Seventh Grade: A booster for Measles, Mumps, and Rubella; Hepatitis B series; Chicken Pox vaccination (if they haven't contracted the disease).

Oregon law also provides that a physician or the Health Department can attest that the physical condition of the child is such that immunization would endanger his/her health, or a parent/guardian may attest that the child is being reared as an adherent to a religion which is opposed to immunization.

Students planning on participating in athletics are required to have a physical examination performed by a physician prior to practice and competition. The examination must be performed every two years and also should be performed no earlier than May 1 of the preceding school year. Sixth graders who wish to participate in cross-country must also have the exam.

For parents who will be moving from District 13 to a new community: District officials request that they notify the principal of the building in which their son or daughter has been enrolled as soon as possible in order that records may be forwarded to the new school district.

ALL SCHOOLS AND OFFICES IN THE DISTRICT ARE CLOSED SEPTEMBER 1 THROUGH SEPTEMBER 5.
